SECOND SATURDAY CONCERT

October 12, 2019 7:30 p.m.

Bettman and Halpin

This will be the third time Stephanie and Luke have graced our stage. Many of you will remember how they wowed us in 2012 and 2016. Well, they've only gotten better. Stephanie and Luke play original Folk/Americana. Their concerts combine high-energy upbeat bluegrass/roots inspired compositions, beautiful ballads with soaring vocals and heartfelt lyrics, and groovy feel-good songs that audiences will be singing in their heads for weeks thereafter. Interspersed between these songs and instrumentals, they tell stories. They have become as known for their storytelling and playful banter as well as for their hooky whole-hearted songwriting and instrumental wizardry. They have been touring as a duo since 2008, and incorporating a trio and quartet since 2013.

This duo has twice been a featured act at the Walnut Valley Festival in Winfield, KS (coming up this month) along with musical heroes Byron Berline, Michael Martin Murphy w/ Pat Flynn, and Tommy Emmanuel. They can also be found performing at various arts centers throughout the US and abroad. Their music creates a fully acoustic, delightfully eclectic sound far greater than the sum of its parts: taking the listener from up-tempo down home fiddlin', to soulful sorrowful ballads, to folk/pop with catchy melodies and lyrics that will stick with you long after the concert is over. Come out and join us Saturday, October 12 for a memorable evening of music.

Second Saturday Concert is presented by the **Houston Folklore/Music Society**, a nonprofit organization dedicated to the preservation of folklore and folk/acoustic music. Coffee, water, cookies and sandwiches are available. Tickets are sold at the door - adults \$18, senior citizens (65) \$14, and children under 12 free with adults. Concerts are held the second Saturdays of each month in the West University Community Building at 6104 Auden (intersection of Auden. and Rice Blvd.) Phone Paul Cooper at 713-204-1207 (cell) for more concert information. Visit our website at: www.houstonfolkmusic.org.

OTHER UPCOMING HFMS SEPTEMBER EVENTS

*****HFMS MEETING/SONG CIRCLE—October 7, 7:30PM**

Our monthly song circle meeting is **Monday, October** 7 from 7:30 to 9:50PM at the Jewish Community Center. The JCC is located at 5601 South Braeswood Boulevard, Houston, TX 77096-3999. Ask the front desk for the room number of the Houston Folklore and Music Society meeting.

Meetings consist of a "song circle", allowing each attendee an opportunity to share a song, story, announcement, or other item which he or she may wish to share with the group. Non-performers are just as welcome as performers. After all, musicians, singers, and storytellers all need an audience.

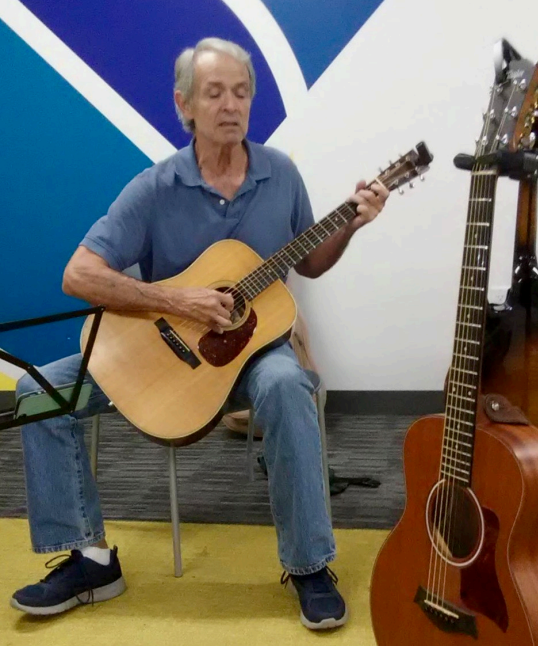

*****October PICKIN' PARTY — Pending volunteer host. To volunteer, email carolyadavis@aol.com. For updates, check: <http://www.houstonfolkmusic.org/#pknpty>**

It's always fun to host a Pickin' Party at your home, church hall, community center, etc. You provide the space drinks, plates and utensils. You can invite other members to help you co-host, to share the fun (and the effort). Please contact Carolyn Davis at carolynadavis@aol.com to volunteer to host in the near future.

LAST MONTH'S HAPPENINGS***

*****The September Song Circle / Meeting** at the Jewish Community Center was a small gathering of players with lots of songs.

Another Monday evening of relaxed musical sharing.

*****The September Pickin' Party** was hosted by Bob Felder and Paul Cooper at J.P. Hops House.

Good friends. Good food. Good music.
Another HFMS Pickin' Party!

BEND DOWN THE TALLEST TREE

It's not Christmas yet, but not too early to start learning a carol or two. This song has the rare distinction of being both a Child ballad https://en.wikipedia.org/wiki/Child_Ballads and a Christmas carol. It dates back to at least the 15th century, where it is known to have been sung at the Feast of Corpus Christi [https://en.wikipedia.org/wiki/Corpus_Christi_\(feast\)](https://en.wikipedia.org/wiki/Corpus_Christi_(feast)). This is the version I learned from a 1961 Joan Baez record (Yes, a vinyl record. I still have it). The chords are slightly different from some other versions, but I love her treatment of it, which you can hear at <https://www.youtube.com/watch?v=Uc2-LR0Albc> or on the HFMS Audio Archive page at http://www.houstonfolkmusic.org/HFS_Audio_Archive.html.

THE CHERRY TREE CAROL

C **G**
When Joseph was an old man, an old man was he
F **C** **E**
He married Virgin Mary, the queen of Galilee
F **C** **G C**
He married Virgin Mary, the queen of Galilee.

Joseph and Mary walked through an orchard green
There were berries and cherries, as thick as might be seen
There were berries and cherries as thick as might be seen.

Mary spoke to Joseph, so meek and so mild
Joseph, gather me some cherries, for I am with child
Joseph, gather me some cherries, for I am with child.

Joseph flew in anger, in anger flew he
Let the father of the baby gather cherries for thee!
Let the father of the baby gather cherries for thee.

Then up spoke baby Jesus, within Mary's womb
"Bend down the tallest tree, so my mother might have some"
"Bend down the tallest tree so my mother might have some."

Then bent down the tallest branch, it touched Mary's hand
Cried she, oh look thou Joseph, I have cherries by command
Cried she, oh look thou Joseph, I have cherries by command.

Songs of America — Book Review

Eric Johnson

The U. S. has had a rich cultural, political, and social development since its founding 200 years ago. Its music has influenced this development very much as well. This is explored In a new book by Tim McGraw and John Meacham, "Songs of America: Patriotism, Protest, and The Music That Made A Nation."

The book chronicles the origins of such great patriotic songs as "The Star Spangled Banner", "God Bless America", "Battle Hymn of The Republic", and "America The Beautiful." It also mentions "Born in The U. S. A.", "We Shall Overcome", and "This Land is Your Land" which Woody Guthrie originally intended as a protest song reacting to "God Bless America",

While Meacham presents a general overview, McGraw picks out certain specific elements of the songs. He explains the origin of "Battle Hymn", "Ballad of The Green Berets," and "Okie From Muskogee," just to name a few.

If you want to know more about America's rich musical history, I highly recommend this book. You will be amazed at the depth with which McGraw and Meacham have created this musical masterpiece.
