## FROM THE EDITOR

Some Irish Blessings for March!

May there always be work  
for your hands to do.  
May your purse always hold  
a coin or two.  
May the sun always shine  
on your windowpane.  
May a rainbow be certain  
to follow each rain.  
May the hand of a friend  
always be near you.  
May God fill your heart with  
gladness to cheer you.

- An Irish Blessing

**MARCH FEATURED SONG** *by Paul Cooper*  
**CAN'T BELIEVE WHAT I SAW**

This one is from the pen of *Rag* editor Cehlana Solus. Cehlana says: “I was sitting at Meyer Park looking at the nutria and thinking how fun it would be to write a song that included them. And I was reading a murder mystery around the same time about a bunch of crazy guys doing some wild stuff down in the Louisiana bayous. I got to thinking, we have bayou's here but you don't really see nutria too often. I wonder why? From there my imagination just went kind of wild and I wrote a song about what might happen if we had pirates and spotted nutria on our bayou during Mardi Gras!” You can hear this song performed by Wylde Meade on the HFMS Audio Archive page at [http://www.houstonfolkmusic.org/HFS\\_Audio\\_Archive.html](http://www.houstonfolkmusic.org/HFS_Audio_Archive.html).

## \*\*\*COMMUNITY ACTION\*\*\*

**Ask Congress to Support Creative Economy Bills! [Arts ACTION Fund](#)**  
**Arts advocacy on Capitol Hill is gaining momentum! There is now more pro-creative economy legislation being considered by Congress than at any other point in U.S. history.**

### Pass the Save Our Stages Extension Act

The Save Our Stages Act was signed into law as part of the omnibus funding bill on Dec. 27, 2020. Given months-long delays from the Small Business Administration (SBA) in launching this program and disbursing the grants, many venue owners are struggling to use their funding by the end of December, forcing them spend millions in only three months while their venues remain shuttered due to COVID restrictions. Unless this deadline is extended, venues could have to return billions of their grant dollars to the SBA.

### Support the Creative Economy Revitalization Act!

The Creative Economy Revitalization Act is a \$300 million dollar grant program that will mitigate creative worker displacement, stimulate local creative workforce growth, strengthen connections for local creative small businesses and networks, create a pipeline for new creative jobs, enrich communities, increase access to culture, and invest in creative workers and local economies harmed by COVID-19.

## SUPPORT THE BIPARTISAN H.R. 4750/S.2872 PERFORMING ARTIST TAX PARITY ACT

The Performing Artist Tax Parity Act legislation would provide much-needed tax relief to working artists by updating the Qualified Performing Artist (QPA) tax deduction, which allows certain performing artists to deduct the cost of expenses incurred in the course of their employment. The Performing Artist Tax Parity Act would update the thresholds of the QPA deduction to ensure that more lower- and middle-income artists can benefit from the tax break.
